

## **Student Sponsorship Application Process**

The U.S. Women in Nuclear (U.S. WIN) Sponsored Student Program is held every year during the U.S. WIN national conference. U.S. WIN sponsors qualified students, of all genders, who are pursuing an education in any aspect of nuclear energy, science, technology, and radiation related fields. The conference provides perspectives from national authorities on key issues, as well as ample professional development opportunities for attendees to network with, and learn from industry professionals.

The U.S. WIN National Conference draws hundreds of senior executives and policymakers from around the country and affords participants an excellent opportunity to meet and discuss industry issues.

### **Sponsorship Details**

The U.S. WIN Student Sponsorship includes the cost of one conference registration; hotel accommodations with double occupancy with another sponsored student, checking in July 28 and checking out July 31; the special event; and all meals and receptions hosted by U.S. WIN during the conference.

### **Required Documentation**

Online applications are available [here](#) (or directly at <https://bit.ly/2WihHA3>). You must complete the U.S. WIN Sponsored Student Program Application online, and submit the following three items:

1. Current Resume
2. Cover Letter: Please provide a typed cover letter to accompany your resume. The cover letter should indicate why your participation in this conference would be beneficial to your professional/academic development.
3. Photograph

**Please note:** Any additional nights spent in the hotel are the sole responsibility of the student. If you wish to stay beyond the three sponsored nights, July 28-31, please contact U.S. WIN to make arrangements prior to booking your travel.

This sponsorship does not include separately ticketed activities such as the technical tours or the professional development workshop. The sponsorship also does not include travel expenses.
