

GROWTH • RELATIONSHIPS • OPPORTUNITIES
U.S. WOMEN IN NUCLEAR MENTORING

GROW Mentoring Program Application Process

Eligibility: Any active U.S. WIN member may apply for consideration to participate in GROW.

Application Requests: Completed applications must be submitted electronically utilizing link provided below. The GROW Committee will screen the applications. The final date to submit applications for consideration is **August 7, 2026**. Please note supervisor/manager/etc. approval is required for this program.

Application Checklist: In addition to the application, please utilize the directions in the application to submit your resume and headshot:

- Resume
- Headshot
- Mentor Profile (Mentor only)
- Mentee Application (Mentee only)

***Click here to submit your 2026 – 2027 mentee application.** [GROW Mentee Application](#)

Application Evaluation Process: Applications will be evaluated based on the information provided. Application review will be conducted by the GROW Mentoring Program Committee, who will determine the selection of candidates.

Program Pairs: Program participants will be selected from a diverse group of individuals across all regions of U.S. WIN. If selected for GROW, mentors and mentees will be paired based on matching objectives for participation in the program.

Program: A virtual training kick-off session will be provided to all participants to ensure GROW is successful. The training kick-off and subsequent general sessions will be recorded. Mentors and Mentees participating in GROW will be provided the opportunity as well to meet during the U.S. WIN 2027 National Conference. The mandatory program commitment is one hour per month for one full year.
